## Our Vision

### Purpose
To ignite the power of learning

### Mission
Clayton-Bradley Academy is dedicated to creating a student-centered, positive, and challenging environment where all students excel through:

- Critical thinking
- Problem-solving
- Collaboration
- LIFELONG GUIDELINES and LIFESKILLS

### Beliefs
Clayton-Bradley Academy is committed to the following:

- A clear and shared focus on student learning
- A rigorous and integrated curriculum
- High expectations for learning
- Effective school leadership
- Aligned instructional and assessment practices
- Focused professional development
- Safe and supportive learning environment
- Family involvement
- Respect for diversity

### Vision
Reimagining education

### Lifelong Guidelines
- Trustworthiness
- Truthfulness
- Active Listening
- No Put Downs
- Personal Best

### Lifeskills
- Caring
- Creativity
- Common Sense
- Cooperation
- Courage
- Curiosity
- Effort
- Flexibility
- Friendship
- Initiative
- Integrity
- Organization
- Patience
- Perseverance
- Pride
- Problem Solving
- Resourcefulness
- Responsibility
- Sense of Humor
Our Curriculum

Highly Effective Teaching (HET)
Clayton-Bradley Academy teachers are trained in the Highly Effective Teaching model, based on proven strategies and methods for teaching and learning. The five principles of Highly Effective Teaching design are:

- Intelligence is a function of experience
- Learning is an inseparable partnership of body and brain
- There are multiple intelligences to solve problems and produce products
- Students are pattern seekers and program builders
- Teachers understand that a child’s personality and temperament impact learning and performance

Project-Based Learning
At Clayton-Bradley Academy, students integrate knowledge from all content areas in order to solve real-world problems. Projects are conceived from grade-level standards and built around an open-ended question that drives student investigations. Students are able to make choices about project topics and solutions and present their findings to others, building collaboration skills, critical thinking, innovation, and creativity for future success.

STEM Education
CBA is committed to providing educational opportunities in science, technology, engineering, and mathematics (STEM) to prepare students for college and career. STEM education is driven by problem solving and discovery and places an emphasis on the process and design of solutions. At CBA, STEM is integrated with the arts and humanities in real-world projects and experiences. Students explore the intersection of arts and technology to develop critical thinking skills and creativity.
Admissions Procedures

Step 1: VISIT
Schedule a private tour and/or attend a Campus Visit Day.

Step 2: APPLICATION
Apply online ($150 nonrefundable application fee). Provide school records, references, and health records to the CBA Admissions Office.

Step 3: ASSESSMENT
Once your application has been processed, we will contact you to schedule a screening time for your student. Grade 1-10 applicants are encouraged to attend one of our screening days, which includes the opportunity to shadow a current student with similar interests.

Step 4: RESULTS & ENROLLMENT
After reviewing the application and assessment, we will schedule a meeting to discuss results and next steps. Upon notification of acceptance, families will be issued instructions to complete the online enrollment process.

2019-2020 Tuition and Fees

**Preschool**
Annual tuition ranges from $7,200 to $8,200 depending on the program selected.

**Lower & Middle School (K-8)**
Annual Tuition $11,100
Technology Fee $350

**High School (9-12)**
Annual Tuition $11,600
Technology Fee $500

A $1000 nonrefundable deposit (or $500 for preschool) is due at the time of enrollment and will be applied to tuition costs. Tuition can be paid in 10 monthly payments or all at once through your FACTS/RenWeb account.

**Miscellaneous Fees**
Charges for field studies are billed separately, as well as optional fees including clinics, clubs, teams, after school care, and lunches.

**Financial Aid**
Families may apply for financial aid upon acceptance to Clayton-Bradley Academy. Financial aid applications are due each year on February 15, and notification of decisions will be sent on March 1. Scholarships are based on financial need as evidenced by tax documents.
**Year-Round Calendar**

**Why Year-Round?**
Clayton-Bradley Academy follows a year-round educational calendar so that learning is continuous. Instructional blocks and vacations are distributed throughout the year in a “45-15” day calendar, in which students attend school for approximately nine weeks followed by three weeks of vacation. The longest break period is approximately five weeks during summer.

**2019-2020 Calendar**
